Freeland is a Team Player. We helped set up and host EarthTeam – a global alliance of organizations and individuals, united in our efforts to protect the planet from pandemics, species loss, climate change, and habitat destruction.

- E-Learning Hub with digital courses like CTOC, OSINT and more.
- Digital Library of our tool and resource materials like manuals, etc.
- Multi-purpose mapping software to visualize projects, solutions and wildlife crime incidents.
- Awareness videos and webinars via EarthTeam TV.
- Virtual networking events every month.

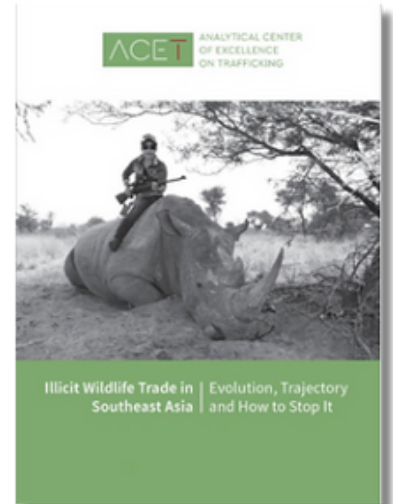

REWARDING

WE REWARD THOSE WHO MAKE EFFORTS TO PROTECT
PLANET AND PEOPLE BY SPOTLIGHTING AND PROMOTING
THEM AS CHAMPIONS

Freeland also has a company that is powered by technology and civil society, called **Analytic Center of Excellence on Trafficking (ACET)**, which allows sound and timely decision making that reduces trafficking.

ACET conducts research and produces reports on illicit supply chains that help organizations save time, money, and lives.

Rewarding star performers

Syndicates broken and convicted

**Cross continental operations
